Dear Parent/Carer,

Arena Academy are pleased to extend a fantastic opportunity to selected students in taking part in the Echo Eternal project for 2022, which aims to honour those involved in the Holocaust. This academic year will see 12 Year 9 students work with photographer Kate Green to create an 'echo' using the testimony of a Holocaust survivor, which has kindly been gifted to the school.

I'm excited to let you know that your child has been selected to take part. Having worked on projects like this in the past, I know that this is a unique experience which will live long in the memory of our students.

Yours sincerely,

Mr G Skidmore
Teacher of Humanities and Psychology
