Dear parent/carer,

I am delighted to extend an invitation to you for our Echo Eternal Showcase event at Arena Academy on 15th December 4:30pm.

The students are eager to share with you the photography we have produced to honour the testimony of Hedi Frankl, a survivor of the Holocaust.

The project has taken a number of weeks to complete with students working with the amazing photographer Kate Green to best represent the words of Hedi in a visual form.

Refreshments will be provided, and a short presentation given before guests can freely explore the exhibit; with guidance on the project and its meaning given by the students.

Kind regards

Mr. Skidmore
