

ARENA
ACADEMY

Accessing the website:

Step 1: To access the website type 'GCSE Pod' into your web browsers search bar.

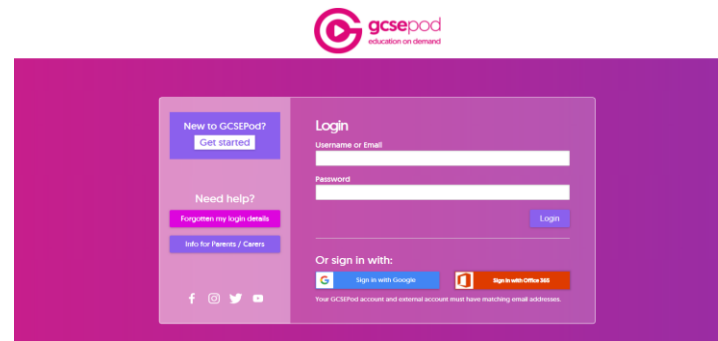

Step 2: Click on the first link (GCSE Pod: GCSE learning and revision). This will direct you to the homepage.

Step 3: The homepage will be displayed. Click on the orange button login which will redirect you to the 'login' page. This is displayed in the top right-hand corner of the screen.

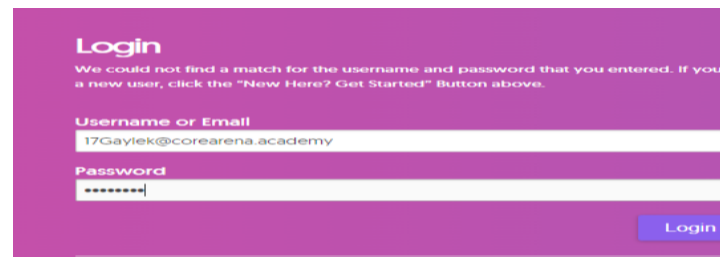

Log in

Step 4: After clicking the orange button the login page will be displayed. Enter your login information to continue.

Username: Enter either your school login (the information you enter when accessing the school computers) or use your school email address.

Password: Enter your date of birth (DD/MM/YYYY). E.g.: If you were born January 9th, 2006, your password would be 09012006.

Step 5: Press the login button to continue

CHANGING YOUR PASSWORD:

Your dashboard should look something like this and contain a list of subjects. This can be customised and changed in the 'my account' menu.

Username	17gaylek@corearena.academy	Change
Recovery Email	17Gaylek@corearena.academy Not yet verified Resend Email	Change
Password	Hidden for security	Change
Password Hint	Hidden for security	Change

STEP 3: Under the login details subheading you will find the password option. Click the 'change' button in the password box to change your password.

Step 1: Click on the 'my account' button located on the top right-hand side of the screen.

Step 2: You will then be presented with a page that displays your linked email address, current password, password hints and your subject pod board.

Step 4: Enter your new password and click verify
