

Dear Parents/Guardians,

As part of your child's development of reading, our school is using the Reading Plus Program to help our students to become better readers. Through a weekly English lesson, pupils complete their Reading Plus assignments to ensure that they can become more proficient readers and develop their comprehension, spelling and vocabulary to help them in wider schooling and life beyond Arena Academy. English teachers set weekly homework for pupils to complete at home or in Reading Plus Homework Club (available each Tuesday after school in Room 29) in addition to their reading lessons for 45 minutes a week.

To help you monitor your child's progress at home, we strongly recommend that parents/guardians login to their child's account at home to monitor their progress on Reading Plus. Below is a guide for how you can do this on a home device:

- Step 1: Go to login.readingplus.com
- Step 2: Press the Student Login button
- Step 3: Enter Site Code: rparena1
- Step 4: Type in your username
- Step 5: Type in your password

### Reading Plus for Parents:

- Log in to your student's Reading Plus account (as described above) to access your student's Dashboard.
- Learn more about each section of the Student Dashboard by either clicking the Families link at the top of the screen or by clicking the Help icons found throughout the Dashboard.

There is more information about our approach to reading on our website here: [Reading - Arena Academy \(corearena.academy\)](https://www.corearena.academy/reading)
