

Psychology

How will I be assessed?

Psychology is ALL exam based.

You will sit **two** exams (1 hour 45 minutes each) and your grade will be calculated out of **200** marks.

What Topics will be covered?

- Memory
- Perception
- Development
- Research Methods

- Social Influence
- Language, Thought and Communication
 - Brain and Neuropsychology
 - Psychological Problems

What is required?

An interest in the human mind and how/why people think. Commitment as the course is very intensive with the amount of case studies/theories that we cover.

Career Opportunities

- Therapy and counselling
- Training and development
- Private healthcare education
- Mental health support
- Career counselling
- Human resources
- Social work
