

Dear Year 6 students,

If you are nervous about coming to Arena Academy this year, I know exactly how you are feeling because I felt the exact same way when I was in your position. When I arrived for my first day at Arena Academy, I was saying to myself in my head, “Will I get a detention? Will the teachers like me?” If you are doubting yourself, all you have to say to yourself is, “YES, I CAN!” If you believe you will achieve, because remember, you can do anything you put your mind to.

I am writing this letter to you because I was worried at the beginning of Year 7, and I have achieved a lot of things during my time at Arena Academy. I am on the Senior Leadership Team, which is a team of Year 7 students who do their best in all of their lessons and go above and beyond in everything they do. I have also won Arena Awards for excellent classwork and a Headteacher’s Award for joining the leadership team. I have also joined the Year 7 football team. All of these opportunities and more will be available to you when you join Arena Academy!

When you walk through the doors to Arena Academy every morning, you will be welcomed by teachers and experience a very nice environment filled with amazing people. If you are ever feeling down here at Arena Academy, there is always someone to lend you that helping hand.

Yours sincerely,

Jayden
