

## **RE Year 6 Transition Day on 6<sup>th</sup> July 2022 at Arena Academy**

Dear Parent / Carer,

Mellors Catering Services are the proud providers of all the catering at Arena Academy, and the UK's national contract caterer of the year 2019.

Mellors Catering are a northern family catering business covering an area from North Wales across to Hull, and Newcastle down to Birmingham. Mellors have over 380 contracts in which over 95% are in the educational sector. Mellors are proud to use local suppliers and use fresh produce and provide freshly made meals every day.

On Wednesday 6<sup>th</sup> July, Mellors will be providing a free meal for all Year 6 pupils on the school's induction day. This is to give pupils the opportunity to experience the lunchtime routine and taste our delicious food ahead of joining Arena Academy in September. The meal on offer will be:

**Meat Choice – Chicken Burger, Wedges and Beans**  
**Vegetarian Choice – Quorn Burger, Wedges and Beans**  
**Pudding – Homemade Tray bake or Cookie**

***All pupils attending will be able to choose from other food items that are available on the day such as Sandwiches, Jacket Potatoes and Hot Chicken Wraps as part of a meal deal which will be clearly displayed in the dining room***

Jugs of water and squash will also be available. If your child doesn't want a free meal from the canteen, you are welcome to send them with a packed lunch.

Mellors Catering look forward to welcoming your child to Arena Academy and their custom in our facility.
